Dustin-

Here are two options for you. The Blazer option would be \$27,999 and the Gill brand would run you \$29,999. Shipping not included. Let me know if you have any questions!

I'll be happy to get you a quote on the equipment you need for your pole vault pit. Give me a day or two to get something put together. If I have any questions, I'll be in touch.

Thanks!
