

## Old Student Computer Sales Info - Arapahoe - MacBook Airs

Arapahoe Public Schools is now officially selling the old MacBook Airs that last year's grades 5-12 had since we've gotten new devices (Chromebooks) for them.

Students will have the first chance to buy their old computers, then we will open up sales on the remaining devices to staff/parents/community members wishing to purchase a computer.

If you would like to purchase a computer, please email our technology director, Mr. Stagemeyer ([reid.stagemeyer@arapahoewarriors.org](mailto:reid.stagemeyer@arapahoewarriors.org)), so he can add you to the list and schedule a time for you to come pick up and pay for your computer.

### Please note the following:

- Devices must be paid for in full before leaving the building (cash/check)
- Devices are sold in 'as is' condition and once sold Arapahoe Public Schools is no longer responsible for the cost of any repairs/damages
- All device management profiles will be removed and will no longer be managed whatsoever by APS
- Since they won't be managed anymore, **you CANNOT bring these devices to school to use during school hours once purchased**
- You will sign an agreement to the terms and conditions as described above at purchase time

### Times

- Mr. Stagemeyer will be at the school 1PM - 6PM (M-F) starting Friday July 15th for those wishing to pay for/pick up a device
